Subject Index

In general, subject headings are based on the National Library of Medicine's Medical Subject Headings (MeSH). A few additional headings are used for greater specificity in the psychiatric field.

Academic medical centers. Also see State-university collaboration

Economic impact of outpatient psychiatric services in a university medical center, Apr 376-378

A ten-year update of administrative relationships between state hospitals and academic psychiatry departments, Nov 1113-1116

Accidental falls

A comparison study of patient falls in a psychiatric setting, Aug 823-825

Achievement Awards

Gold Award: A model for management and treatment of insanity acquittees—Psychiatric Security Review Board, State of Oregon, Nov 1127-1131

The 1994 H&CP Achievement Award winners, Nov 1128

Significant Achievement Award: Assessment and treatment services for children and adults with autism—Emory Autism Resource Center, Department of Psychiatry and Behavioral Sciences, Emory University

School of Medicine, Atlanta, Nov 1133-1134
Significant Achievement Award: Group living that fosters autonomy for homeless mentally ill persons—Evolving Consumer Households, Massachusetts Mental Health Center, Boston, Nov 1135-1136
Significant Achievement Award: Service and professional training in the clubhouse model of psychiatric rehabilitation—Independence Center, St Louis, Nov 1136-1137
Significant Achievement Award: Therapeutic foster homes for elderly mentally ill persons—Alternative Family Program, Gulf Coast Community Care, Clearwater, Florida, Nov 1132-1133

Acquired immune deficiency syndrome (AIDS)

Behavior therapy by telephone (ideas), Nov 1160
 Diagnosis, health beliefs, and risk of HIV infection in psychiatric patients, June 580-585
 Studies show AIDS often lags behind HIV ten years or more; cost of AIDS treatment declines, Mar 288-289

Adolescent psychiatry. See Child psychiatry, adolescent psychiatry

Advance directives

Implications of the Patient Self-Determination Act for psychiatric practice, Apr 355-358

Affective disorders

Cost of depression estimated at nearly \$44 billion; time lost from work accounts for largest share, Jan 85
 Definitive treatment of patients with serious mental disorders in an emergency service, part I (emergency psychiatry), Sept 867-869
 Definitive treatment of patients with serious mental disorders in an emergency service, part II (emergency psychiatry), Dec 1177-1178
 Development and validation of a scale for rating mood states of psychiatric inpatients, Mar 238-241
 Diagnosis and treatment of lovesickness: an Islamic medieval case study (treatment planning), July 647-650
 Differential responses to a single antidepressant in recurrent episodes of major depression, Apr 359-361
 Increased rates of drug abuse and dependence after onset of mood or anxiety disorders in adolescence, May 451-455
 National Depression Screening Day: the San Diego experience, Oct 1042-1043
 New APA practice guideline provides help to clinicians in treatment of bipolar disorder, Nov 1152-1153
 On alleged "remission" from severe bipolar disorder (personal accounts), Oct 967-968
 Prevention of recurrent postpartum major depression, Dec 1191-1196
 Treated prevalence rates of severe mental illness among HMO members, Sept 919-924
 Use of electroconvulsive therapy during preg-

nancy, May 444-450
 The Zung Self-Rating Depression Scale as a potential screening tool for use with Eskimos, June 573-575

Aftercare

Collaboration between social work and psychiatry in aftercare in the early 1900s (social work update), Aug 749-751,764

Age of onset

Increased rates of drug abuse and dependence after onset of mood or anxiety disorders in adolescence, May 451-455

Aggression. See Violence, aggression

Alcohol abuse, treatment. Also see Comorbidity; and Substance abuse, treatment

Alcohol abuse and Alzheimer's disease, Oct 1040-1041
 Congressional study finds federal disability payments are subsidizing alcohol, drug abuse, Apr 392
 Effects of alcohol on symptoms in alcoholic and nonalcoholic patients with schizophrenia, Dec 1229-1230
 National survey finds most Americans think alcohol, drug addiction requires treatment, Nov 1154
 Religious practices and alcoholism in a Southern adult population, Mar 225-231
 Report to Congress on alcohol and health paints comprehensive picture of alcoholism's impact, Jan 86. Also see Correction (phone number), Mar 289

Alzheimer's disease

Alcohol abuse and Alzheimer's disease, Oct 1040-1041

American Psychiatric Association

APA warns against dismissing as false emerging sexual abuse memories that cannot be verified, Feb 184-185
 Drs Nemiah, Stunkard, Group for Advancement of Psychiatry among recipients of APA awards, June 617-619
 Ethics of psychiatrists' participation in phone counseling questioned, May 505-506
 Issues in American psychiatry reflected in remarks of APA presidents, 1844-1994, Oct 993-1004
 Mary Jane England wins president-elect post in APA balloting; Jerry Wiener assumes presidency, May 505
 New APA practice guideline provides help to clinicians in treatment of bipolar disorder, Nov 1152-1153
 Nondiscriminatory coverage of mental illness, substance abuse affordable, APA study shows, July 728-729
 Position statement on women and domestic violence among several approved by APA, Feb 185-186

Anxiety disorders

Anxiety and other predictors of severity of suicidal intent in urban psychiatric inpatients, July 716-718

Behavior therapy by telephone (ideas), Nov 1160

Characteristics of African-American and white patients with panic disorder and agoraphobia, Aug 798-803

Definitive treatment of patients with serious mental disorders in an emergency service, part I (emergency psychiatry), Sept 867-869

Increased rates of drug abuse and dependence after onset of mood or anxiety disorders in adolescence, May 451-455

Assaults. See Violence, aggression

Attention-deficit hyperactivity disorder

Comorbidity of attention-deficit hyperactivity and psychoactive substance use disorders (alcohol and drug abuse), May 421-423,435

Attitude

Diagnosis, health beliefs, and risk of HIV infection in psychiatric patients, June 580-585
 Psychiatric residents' attitudes toward patients with chronic mental illness, Nov 1117-1121
 A multiregional study of nurses' beliefs and attitudes about work safety and patient assault, Nov 1104-1108
 Staff opinions about seclusion and restraint at a state forensic hospital, Feb 138-141
 Voting behavior and attitudes of chronic mentally ill outpatients, June 608-609

Audiovisual reviews. See Reviews, audiovisual

Australia, rural mental health services

A special care suite for severely disturbed psychiatric patients in rural Australia, Feb 174-176

Autism

Assessment and treatment services for children and adults with autism, Nov 1133-1134

Behavior therapy

Behavioral group therapy (letter, reply), Aug 829-830
 An overview of nine decades of group psychotherapy, Mar 217-225. Also see Behavioral group therapy (letter, reply), Aug 829-830
 Seclusion and restraint, assaultiveness, and patient performance in a token economy, Feb 168-170

Benzodiazepines

A clinical profile of patients affected by state regulation of benzodiazepine prescriptions, Apr 362-365

Benzotropine

A pilot effort to determine benzotropine equivalents of anticholinergic medications, June 606-607

Book reviews. See Reviews, books

Borderline personality disorder

Borderline personality disorder from the patient's perspective, Dec 1215-1219

Calendar

Jan 23-24, Feb 102,183, Mar 198,210, Apr 322,331, May 412,428, June 544,548, July 642,651, Aug 752,767, Sept 854, 866, Nov 1066,1083, Dec 1174, 1182

Canada, service delivery systems

A comprehensive geriatric psychiatry program in Canada (practical geriatrics), Apr 329-330

Rating Canadian services (letter, reply), Apr 383-384

Case management, community-based

Case manager ratings of the clinical status of dually diagnosed outpatients, June 568-573

Cost and intensity of care in case managers' referrals to psychiatric day programs, Jan 62-65

Jail recidivism and receipt of community mental health services, Aug 793-797

The PACT model (letter), Mar 281-282

Using intensive case management to reduce violence by mentally ill persons in the community, July 679-684. Also see Correction (four references omitted), Oct 1004

Case management, insurance or third-party. See Managed care programs

Child abuse, child sexual abuse

APA warns against dismissing as false emerging sexual abuse memories that cannot be verified, Feb 184-185

Childhood abuse and the positive symptoms of schizophrenia, May 489-491

Child psychiatry, adolescent psychiatry

Assessment and treatment services for children and adults with autism, Nov 1133-1134

Changes in child and adolescent disorders, eating disorders, and the multiaxial system (DSM-IV in progress), Mar 212-214

Children's services get major funding increase in 1995, Dec 1245-1246

GAO report highlights lack of national data on treatment of minors, Nov 1153-1154

Implications of the Health Security Act for mental health services for children and adolescents, Sept 877-882

Improving rapport with suicidal adolescents (ideas), Nov 1160

Increased rates of drug abuse and dependence after onset of mood or anxiety disorders in adolescence, May 451-455

An overview of nine decades of group psychotherapy, Mar 217-225. Also see Behavioral group therapy (letter, reply), Aug 829-830

Psychiatric hospitalization of adolescents for conduct disorder, Sept 925-928

Rating Canadian services (letter, reply), Apr 383-384

Report on drug use among youth notes lack

of clear risk factors to guide prevention efforts, July 729

Scattered-site crisis beds: an alternative to hospitalization for children and adolescents, Apr 351-354

Sociodemographic characteristics of dropouts from a child guidance clinic, Aug 804-808

Chronic patients. Also see Comorbidity; and Schizophrenia

A brief scale to help identify outpatients' level of need for community support services, Sept 935-937
